

## SPECIAL REMODEL ISSUE

### Patio BBQs, Kid's Events, Hard Hat Tours Planned During Remodel

During the Arid Club remodel project, which begins July 8, members will have several opportunities to view the progress of the remodeling work and enjoy the Arid Club patio.

***Check out the Remodel Events Schedule on Page 3***

The Club is planning BBQ patio parties — casual “beer and brats” type events — along with hard hat tours inside the building. The first of these events is Ladies’ Night on July 24. Dates and event details are on page 3 of this newsletter. As you would expect, event reminders will go out to members via email blasts and Facebook postings. Be ready to visit the Club during construction for some fun.

#### ***Important Dates***

The full remodel project stretches over two months and currently, the important dates to remember are (these dates are subject to change, after all, it is a construction project):

- **July 8 - August 9:** Club closed for annual maintenance and remodel construction.
- **August 10:** Club opens for lunch and dinner service, remodel continues.
- **September 5:** Remodeled Arid Club opens for all to enjoy.

#### ***Local Reciprocal***

During the remodel, from July 8 through August 9, members can use three local country clubs for lunch and dinner dining — **Hillcrest** (208-343-5425), **Crane Creek** (208-514-4340) and **Spurwing** (208-887-1800). Use of these reciprocal clubs does not count towards member minimums.

**Plan to Attend the ARID CLUB  
GRAND RE-OPENING**

**CELEBRATION**

**Last Week of SEPTEMBER**
